From 270 North:

Take the Montrose Road exit East to Rockville. Stay right at fork to continue on Montrose Parkway. Right at 2nd traffic light onto East Jefferson Street. East Jefferson St. turns into Executive Blvd. At the first light, make a right into the Executive Plaza office complex and then make an immediate left and proceed to the gate. Take a parking ticket and park in Visitor Parking, or anywhere in the front or side lots or in the rear garage. The Center is located in Suite 750 on the 7th floor.

From METRO:

Red Line to White Flint Metro Station, which is located on the corner of Marinelli Street and Rockville Pike. You may take a Metro Bus, either the #26 or #5 bus will drop you off in front of the building. The Center is located 1 block West and 2 blocks North from the Metro Station. If you choose to walk (10-15 minutes), then crossover Rockville Pike (or use the Pedestrian Tunnel). Make a right at the first light onto Executive Boulevard and stay on the left-hand side of the street. Continue straight through the light at Old Georgetown Road. Continue to first light at the curve in the road. 6110 Executive Boulevard is located on the left.

From The Biostatistics Center to The White Flint Metro Station:

Catch the #26, #5 or #81 Metro Bus from the Metro Bus Stop located near the street curb in front of our building to return to the White Flint Metro Station. If you choose to walk (10-15 minutes), from our parking lot make a right on to Executive Boulevard and continue straight through the light at Old Georgetown. Make a left onto Marinelli Street and cross over Rockville Pike or use the Pedestrian Tunnel to arrive at the White Flint Metro Station which is located on the corner of Rockville Pike and Marinelli Street.
